INTRODUCING SOCIO! OUR NEW CONFERENCE APP

https://socio.events/app/get

We are proud to announce that we are using the Socio App for our conference this year! This tool has been trusted by events across the country to not only act as the Digital Guide for the event, but also help you network with other attendees and build meaningful relationships!

It's Simple:

Download the FREE app at https://socio.events/app/get

Go to the 'Events' tab and search for 2017 AGLS Annual Meeting

Join using the passphrase: AGLS17

Follow the prompts to set up your Socio profile – share only what you want!

What can you do with Socio?

- Browse conference schedule, session information, and useful downloads or links
- Earmark which sessions you are most interested in to create a 'my agenda' schedule
- Get announcements in real time from NCSA throughout the conference
- Set up a profile that has all your contact and social media information—you share only what you want to!
- Find out who else at the conference is on Socio and connect with them
- Share your contact information with others at conference with a simple shake of your phone. Your profile is seen only with those who you 'shake' with
- Stay connected to those you meet after the conference—via email or social networks—with one touch right inside Socio!

Socio is your ultimate connection tool! With this app, you will be able to optimize your opportunities to network by having real-time visibility of who is at the conference and where they are from. You will simply 'shake' your phones to share contact information more completely and efficiently than ever before. No more business cards or scribbled notes to loose!

Socio gets rid of the hassle of exchanging your contact information by linking everything (your email, phone number, and social media accounts) in a single profile and allowing you to connect with others by shaking your phone or sharing your Socio profile.
